EQ SERIES

Lubricated Rotary Screw Air Compressors

Reliability At The Right Value 18-45kW / 25-60 hp

EQ SERIES

Built Tough | Long Life Best-In-Class Warranty | Minimal Maintenance

Engineered to meet the needs of our customers.

For more than 60 years, ELGi has built world-class compressors. Through the years we have evolved and created innovative and technologically advanced air solutions to suit our customers' needs. ELGi EQ Series of oil lubricated rotary screw air compressors offer an array of features for industries where size, reliability, and cost matter.

These reliable air compressors function in the most demanding and the toughest of conditions. Designed for customer specific application needs, each compressor provides maximum uptime, long consumable life, and minimal maintenance thus providing value for small and medium enterprises.

Applications

Sorting and Peeling

ELGI EQ SERIES

Screw Air Compressor

Multi Stage Air Filteration

Increased life of consumables

Robust Cooling System

Reduced air outlet temperature

Industry Leading Warranty

Protect yourself from unforeseen expenses

Enclosure Designed to Industrial Standards

Low noise levels

Option of Integrated VFD

Save on energy

Simple Efficient Layout

Easy maintenance and quick service

Optimised Cooling System Heavy Duty Filtration for for 122°F High Ambient Temperature

Demanding Conditions

Easy to use Neuron XT Controller

Reliable and Efficient TEFC Motors for Severe Duty **Industrial Applications**

BENEFITS

OF ELGI EQ SERIES

DESIGNED SMART. BUILT TOUGH.

- Reliable operation in tough conditions.
- Built for dusty environments and humid conditions
- Ambient design rating of 122°F.

LONG CONSUMABLE **LIFE OF UP TO 4000 HOURS**

- Extended consumable life
- Minimal maintenance
- Easy accessible components reduces maintenance time

REDUCED STARTING LOAD - OPTIMISED NC **INTAKE VALVE**

- Reduces starting current
- Optimized blow down valve reduces unloaded power

ENERGY EFFICIENCY WITH OPTIONAL VFD

When your application demand fluctuates, our optional inbuilt VFD will ensure energy savings.

Best-in-Class Warranty

- · 6-year airend warranty
- 5-year package warranty
- · No service contract required
- · Ensures peace of mind
- * Terms and Conditions Apply

AN EASY TO OPERATE **INDUSTRIAL GRADE** CONTROLLER

- Smart Neuron XT controller is easy to operate with advanced features
- Protects compressor from failures due to motor overload, reverse rotation of motor, high air/ oil temperature, and high pressure
- Remote monitoring Data acquisition
- Detailed fault report

STRONG SERVICE **NETWORK ACROSS** THE GLOBE

Our strong service network provides our customers with quick and easy access to our service teams, whenever you are in need irrespective of your location in the country.

Genuine ELGi replacement filters and parts are easily available at all ELGi distributors. By providing ready assistance when in need, we assure that your compressors are well protected and provides maximum uptime.

After Sales and Service

ELGi has a wide service network across North America readily available to help with installation and service.

To find the nearest provider visit https://www.elgi.com/us/distributors/

EZL Drain

ELGi Airmate Accessories

Compressed Air Dryer

UPTIME Manager

ELGi Air Audit

The ELGi air audit program helps improve compressors' performance by identifying the areas of wastage in the system. ELGi air audit services are offered for generation, distribution, and demand-side systems.

Genuine Spares and Service

Genuine service and regular service helps avoid

unexpected compressor failures and the risk of

subsequent damage to other vital compressor

components. ELGi spare parts are designed, manufactured, and checked for quality to meet

the standards of a new ELGi compressor. ELGi

consistently focuses on improving spare parts

to provide customers with the best results.
